State Bar authorities investigating you in the future will expect that *anything* they find in their security clearance checks or through other inquiries will have been reported on this application. Therefore, please respond fully to the following questions. Resolve doubts by disclosing the information, even if you have been told that it has been expunged.

- A. Have you ever been suspended, expelled, placed on probation, or otherwise disciplined (including being requested or advised to resign to avoid discipline) by any college or university (including a residence hall system) for any academic, legal, ethical, or other reasons? Yes \_\_\_ No \_\_\_

- D. Within the meaning of the general phrase "good moral character," are there any other incidents that might challenge your character, honesty, and integrity? Yes \_\_\_ No \_\_\_

If you answered YES to any of the above questions, please use an electronic attachment to explain. Resolve uncertainty by consultation with a member of our Admissions Office.

By electronically transmitting or by signing this application, you acknowledge that, if you are admitted and then do matriculate, you will have a continuing obligation, to disclose promptly any incidents that occur during your time as a law student that might reflect adversely on your good character and fitness to practice law.

If electronic submission of any materials is a problem, please contact the Admissions Office at 812.855.4765 or lawadmis@indiana.edu for instructions.

---

If you have attended another law school as a J.D. candidate, you must provide a transcript of your work there and a statement regarding your standing from the dean of the law school.

---

Please write a brief statement that tells us about you. The best statement will highlight the special strengths and experiences that you would bring to our law school and the legal profession. These may include leadership, responsibility, creativity, commitment to social justice, international and/or cross-cultural experience and significant work experience, including care-giving. You may use this statement or a brief addendum to tell us how your presence would make the class more diverse. Statements/addendums should be electronically attached.
